

The temperance meeting conducted here last Friday evening by Rev. Berthe J. Bowers of St. Louis, Mo., was a most interesting affair from the standpoint of ability on the part of the speaker. The only bad feature of the meeting was the unusually small attendance which was doubtless due to the fact that the meeting had not been announced in time to warrant a good attendance. Miss Bowers is National organizer and lecturer of the Womens' Christian Temperance Union and is a most able speaker. Arrangements may be made for her return to our town later in the season when it is hoped she will be greeted by a larger attendance, but there is not as yet anything of a definite nature known as whether it will be possible for her to come here again this year or not. She went from here to Hannaford where she held a meeting on Saturday night, and from that place she went to Cooperstown on Monday where, we understand, a meeting was held that night.
