

# **BINFORD LOSES A GOOD FAMILY**

**E. M. Jackson and Family Have  
Removed to the Barnes  
County Capital.**

Owing to the appointment of E. M. Jackson to the auditorship of the Trimble-Winton lumber company, it has become necessary for him to remove with his family to Valley City, in order that he may be located so he can cover his territory more conveniently.

By the removal of Mr. Jackson Binford loses one of its best citizens. He is public-spirited, energetic and was always willing to do more than his share for the furtherance of any good cause that arose—financially and otherwise. He was prominent in the business affairs of the village, having been the first president of the Commercial club, was the chairman of the first board of supervisors of Addie township and was the chairman of the first board of village officers after Binford had incorporated.

In lodge circles Mr. Jackson was very prominent. At the present time he is grand conductor of the I. O. O. F. and also district deputy of the same order. He is a charter member of Odd Fellows here, and is also a member of the Rebeccas, Masons, Yeomen and Woodmen.

Mr. and Mrs. Jackson are held in high esteem in social circles in Binford.

Their household effects were shipped to Valley City Monday. Mr. Jackson left Tuesday and Mrs. Jackson will leave today.

Binford people are very sorry to lose the family but wish them all kinds of success in their new home.
