

## Willow Lake Breezes.

New attractions at the lake all the time.

Chas. O. Johnson has built a nice boat house at Cowen's landing and will spend a good share of the summer at the lake.

The number of Binford and Jessie people at the lake last Sunday were so many that we will not attempt to mention their names.

Last week brought out many new campers. Among them are Mr. Bartlett and family of Cooperstown, B. C. Phipps and family of Mose.

Mr. Miller and family and Mr. Barrett and family of Sherbrooke and Mr. McPherson and family of Finley have spent a week or so at the lake.

Mr. Hutchinson of Lakota, has become so charmed with the beauty of the lake and its surroundings and the splendid fishing that he has decided to build a cottage and come more often and stay longer.

Cowen & Crane have erected a large boat house at their landing and it is so arranged that it can be converted into an ice cream and lemonade parlor. Mr. Cowen, jr., did a good stroke of business last Sunday. Many lake visitors will be glad over this improvement. It sure fills a long felt want.
