

established all over the state.

Adolph Oliver Anderson, a son of Andrew Anderson of Romness township, died Monday, February 9, of a complication of tuberculosis of the spine and kidneys. The young man was 21 years of age at the time of his death and was born Feb. 28, 1893. He had suffered for eight months, the last three weeks of which he was confined to his bed. Funeral services were held yesterday afternoon, Rev. Tollefson of Finley, officiating. In the death of this young man at the very outset of his life, relatives and friends have indeed suffered a great loss and the community's sincerest sympathy is extended to them in their bereavement.
