

Charley Geer, a man of about 35 years of age, died Monday at the home of Peter Burns, near Tolna, death being due to heart failure. Mr. Geer was out doing the chores Monday morning, and came into the house before he had finished and complained of not feeling well. He was told by Mr. Burns to go to bed, that he (Burns) would attend to the rest of the chores. This Geer did. At noon he was called for dinner but upon not hearing any response they went up to investigate and found him to be dead. Little is known of the man. He has been employed in and around Tolna for some time, and about two weeks ago hired out to Mr. Burns. Nothing is known of his relatives or where they reside.
