

## Bowling Contests

Monday evening, the local bowling team went to Cooperstown to give them a return game and were defeated by 160 pins, although our boys won the last two games, but the Cooper boys got a lead of 185 pins in the first game and that lead was too big to overcome. The breaks of the game were with the Cooper team especially the first game, as will be noticed in the score. Kittelson rolled a score of 234, while Smogard, who usually rolls a good average, fell below the 100 mark. Following is the score of each player.

Not being contented with "rubbing it in" to the boys who went to Cooperstown and were defeated, a few of the "scrubs" challenged the regulars for a contest last evening, and were determined to show them up and let Cooperstown know that there are other bowlers in Binford, besides the team that was down there Monday evening. They had been blowing about how they were going to clean us up, but just before the contest started a suggestion to play for the oyster supper was made but there was "nothing doing," and they had the right hunch, as the following score would indicate:
