

per spirit is back of it.

F. C. Boeckman has an announcement in today's Times of the opening of his new bowling alleys and billiard and pool room, Saturday of this week. The men are engaged at present putting up the fixtures for the pool room, the bowling alleys being practically completed. As soon as the fixtures are in place the stock will be arranged and by Saturday everything will be ready for business. Mr. Boeckman has certainly installed the best bowling alleys and pool room fixtures procurable and we believe the people of Binford and vicinity will not be slow to appreciate it.
