At the meeting of the Binford Farmers' club held yesterday, it was decided to write Prof. Hard of the Agricultural college, offering him from \$20 to \$30 per township for a soil survey of the eight northern townships of Griggs county. A committee of three, composed of O. G. Arneson, Matt Rorvig and Carl Arneson, were appointed to see the different township officers in regards to each separate township contributing \$20.00 or \$30.00 towards the soil map survey.
