

The dance given by the Odd Fellows last Friday evening was quite well attended. While it was not the success financially that was hoped for or even expected, what was lacking in that respect was made up for in a social way. This was the first dance held in the opera house for two years, and those present sure took every advantage there was for having a genuine good time. The proceeds of the dance will go toward the benefit of the North Dakota I. O. O. F. home fund.

Dance in the opera house March 6.
