

ing good health.

The Urseth & Nelson concert in the Lutheran Free church last week proved to be a grand success as to its performance, while the audience was not as large as might have been expected. Mr. Urseth is a talented violinist and deserves much credit. Mr. Nelson played the organ to perfection. Their concert was first-class and they have certainly added to the interest for music among our people. If the two gentlemen make Binford another visit in the future we hope our people will respond more generously.
