

School opened Monday under very auspicious circumstances. On account of Monday being a holiday only the work incident to the opening was done, such as getting names and ages of the pupils, distribution of books, etc. The principal, Miss Betts, gave the children some admonition as to their behavior in the school room and on the school grounds, and she will have the hearty co-operation of the other teachers in the enforcement of these rules. Discipline will be maintained throughout the term, at no matter what cost, and the board of education and parents will support the teachers in their efforts to conduct the school properly.
