November 24th is the day to be observed in North Dakota as Children's Home Day. Last year our school gave a donation of \$11, besides a barrel of clothing to the Childrens Home Society at Fargo. We hope to do even better this year. Friday afternoon, November 24th, the pupils of Binford school will observe Thanksgiving and Children's Home Day and invite all parents and interested friends to come and listen to the program. Please do not leave your pocketbook at home. Bring a contribution for the homeless little ones. Childrens' clothing in good condition will also be acceptable as will provisions, canned fruits, vegetables, etc. "Help a child to find a home."
