An important business transfer was made last Thursday when A. D. Shaw leased his restaurant property for a term of one year to Melby & Peterson of Fargo. Mr. Shaw and his wife have been confined in the restaurant for the past seven years, and they figure they are entitled to a well-earned rest. The Shaws have built up an excellent patronage since coming to Binford, and given this town the reputation among the travelling public of having one of the best eating places on the branch. Mr. Shaw is glad to get the rest from the restaurant business, but he does not expect to lay around and do nothing, by any means, but will find some kind of outdoor employment. The new proprietors are experienced restaurant men, and have the appearance of gentlemen. They will, no doubt, maintain the popularity of The Hub. We wish them success.
