

Clean-up sale on shoes at Buchheit-Bakken Co. All sizes at a great reduction.

Miss Mildred Pomeroy and Miss Bertha Sheffield leave today for their homes at Abbington, Illinois, and Minneapolis, Minnesota. Miss Ora Lowe will leave for Fargo, Friday. The two first named will not return to Binford for another term. Miss Lowe will return to again take charge of the primary department. The teachers have a host of friends who will regret that they have decided to not take up further school work here.

The happy vacation days are here. School closed yesterday, and the event was fittingly observed by having a picnic on the school grounds, which was participated in by the school children and some of the parents. Lunch was served in the school rooms, after which several events such as races, games etc., were pulled off. The past school term has been the best in the history of the Binford school, and much credit is

due the school board and the able corps of teachers.

Jos. Buchheit and Oscar Greenland went to Cooperstown last Friday in the former's auto. A democratic love feast was held there that day, which was attended by many of the prominent democrats of Griggs and Steele counties. Mr. Greenland was urged to enter the field for representative again this year. He is not particularly anxious to make the race again at this time, but we believe sufficient pressure ought to be brought out to cause him to change his attitude. Oscar is a true progressive, and one whom the people would have confidence in. In the last campaign he received the high number of votes in Griggs county and came within less than a hundred votes of being elected. His friends are of the staunch kind who will stand by him and we can see no reason why his chances for election—if he consents to run—will not be better than two years ago.
