

Evers Is Chairman.

The new board of trustees, composed of Otto Pritz, A. D. Shaw and Aug. Evers, elected at the annual election last week, held their first meeting on Tuesday and organized with Aug. Evers as chairman. The bonds of the clerk, treasurer and assessor and constable were accepted. It was ordered that \$1200 be raised by taxes for general village purposes and a levy of 5 mills was made for road purpose. The statement of the treasurer was also accepted by the retiring board. The statement shows the village finances to be in excellent condition, there being a balance of about \$300 after all outstanding warrants are paid.
