Valley City Patriot: There was a narrow escape from a serious accident on Fifth avenue near the public library Tuesday afternoon. As Dr. and Mrs. Paul Featherstone were turning their auto about to leave the library another auto came up the street at a rapid gait, when a collision seemed imminent. The doctor threw on his emergency brake and sprang from the machine to assist his wife, when the other auto swerved to the side struck a telephone pole a glancing blow and turned the machine toward the school yard fence. The auto was somewhat damaged and went off wiggling with a damaged fender and something wrong with the steering apparatus.
