

why they should take pride in this work, and if it is entered into with the right spirit by the people of the county at large, the organization can accomplish wonderful results. The movement is being very favorably received, and will no doubt include as members nearly every property owner in the county. Here's hoping that the good work may meet with unbounded success, because we certainly have a county to be proud of, and if each and every one takes a hold and gives a lift the work will be easy, and the results can not fail to come.
