

A. M. Hemerlin is advertising his auction sale to be held on Thursday, Feb. 6. A list of the articles to be sold is in The Times this week, and anyone looking for some good horses or machinery can't go wrong if they buy at this sale. Mr. Hemerlin has rented his land to T. H. Dahl and Ed Fiebeger. The Hemerlins will continue to live on the farm, but Andrew figures he wants to devote more of his time to stock, and he couldn't do that and farm the land too.
