Binford friends of O. A. Lee, of the Cooperstown Sentinel-Courier, were pained to learn of his accident last Sunday, when his left leg was fractured in two places. He was on his way to Hannaford on a motor cycle to witness the Hannaford-Cooperstown ball game, and was just making the first turn south outside the city limits, when the cycle skidded and tipped with Mr. Lee beneath it. It was a very painful injury and he will be compelled to lay up for some time.
