The announcement that the Pekin, Aneta, McVille, Tolna and Binford bands were to be at Red Willow lake last Sunday, brought out an immense crowd from all the neighboring towns. A joint band from the first four mentioned towns, numbering about 60 pieces, rendered a few selections before noon, under the able direction of Prof. Bilden, who has charge of the McVille and Tolna bands. After dinner each band took turn about in playing. A drizzling rain commenced falling shortly after dinner and continued all afternoon, which put a damper on the music. Words of praise could be heard on all sides on the excellent music furnished. It is likely that these band concerts will be a popular feature at the lake the following summers.
