
Rosendal

A big dance was given by Elen Stenslið the other night. A big crowd was gathered and everybody reported a good time.

P. T. Peterson, of Elbow Lake, Minnesota, came up to Mose the other day to visit and shake hands with old friends and acquaintances.

Mrs. Kari Bjornson went to Northwood, yesterday to undergo an operation. Hope she will recover and return in good health again.

Our thrifty storekeeper in Mose went to the twin cities the other day on business.

Anton Falla went down the line yesterday headed for Cooperstown. He expects to return the next day.

We hear the people say that Mose is the best grain market place on the branch.—B.
