Are You an Exception?

Usually in spring there are a lot of repairs to make around a house, barn or other building. Any needed around your place? Damage by storms? Or defects you found this winter when sticking pretty close to home?

Look Your Buildings Over

See what needs fixing.

Then Fix

It will cost you less to repair now than next year. For all repair work insist on good material. If possible, have it better than the original. Come to us with your needs. We'll use our knowledge to give the best materials for your purpose. The price will be reasonable, too.

We guarantee satisfaction
