Thure Carlender Dies of Injuries Sustained When Automobile Turns Over.

Readers of The Times will be shocked to learn of the death of "Tug" Carlender, which resulted from injuries sustained when an automobile turned over. "Tug" was a member of the Binford base ball team a few years ago, and was employed by Buchheit-Bakken Co. The Carlender family formerly lived at Cooperstown until two years ago, when they moved to Idaho. The account of Thure's death appeared in the Moscow Post, and was sent us by members of the family, to whom we extend our heartfelt sympathy in their terrible bereavement. The account follows:

Thure Carlender, a well known and highly respected young man of Moscow, son of Mr. and Mrs. A. E. Carlender, was thrown from an automobile three miles east of Genesee at about 10 o'clock last Thursday night of last week and received injuries from which he died in the hospital at 8 o'clock the evening following.

In company with three friends, Henry Phipps, Clyde Lord and Clarence Peterson, Mr. Carlender was out for a ride. Mr. Peterson was driving the car and as it was new to him was not under perfect control. At the point where the accident happened the automobile turned completely over. Mr. Carlender was thrown upon his head and suffered a fracture of the skull which resulted

in his death. Mr. Phipps and Mr. Peterson escaped serious injuries, but Mr. Lord was badly bruised about the face and head, and his physician is fearful that he may lose his eyesight. He is still in the hospital at Genesee.

After his untimely death Mr. Carlender was brought to Moscow and here the funeral services were held on Monday afternoon from the Swedish Lutheran church. The services at the church were in charge of Rev. Anton Wolff of Genesee and Rev. George A. Johnson, pastor of the local church. The funeral was largely attended, friends from all sides expressing in this way their deep sympathy for the bereaved family. There was a wealth of floral tributes.

Pall bearers on the occasion were all from Genesee, intimate friends of the dead boy. They were Arthur Springer, Henry Phipps, Raymond Edwards, Percy Armstrong, Lester Gray and William Mervin. The burial was in the cemetery at Moscow.
