

# A BIG TIME IN JESSIE SATURDAY

**"A Pair of Artists" And the Bin-  
ford Band Will Appear  
There.**

The home talent play "A Pair of Artists" will be taken to Jessie Saturday evening, April 17. The manner in which the play was received here last Friday has tempted the band boys to show it in the surrounding towns, and the first attempt will be made in Jessie.

Many of the Jessie people were here for the performance Friday, and their flattering comments carried considerable weight in influencing the boys to take it elsewhere. It is very probable that it will be taken to Sutton, McHenry and Pekin also.

The band will accompany the show troupe and will give an open air and indoor concert, and will furnish music between the acts and scenes.

A dance will be given following the performance, for which the Binford Dance orchestra will furnish the music.
