

FARMERS PICNIC AT RED WILLOW

**Binford Farmers Club Will Have
Outing on Thursday, June
Twenty-fourth.**

The Binford Farmers Club have completed arrangements for their annual picnic to be held at Red Willow lake on Thursday, June 24.

The program will prove an interesting one. At 10:00 o'clock a ladies indoor base ball game will be played. This will consume all of the time before the noon hour. All are requested to bring their own lunches and some of you are asked to bring enough to feed a few of the bachelor band members.

At 1:30 the program begins with the invocation by Rev. T. E. Sweger. The address of welcome will be delivered by F. G. Lewis, president of the club. Hon. A. M. Baldwin, of Cooperstown, will deliver the response. J. C. Hoke, of the Experiment station of Fargo, will give an address, and will be followed by Prof. N. C. Macdonald of Valley City.

The Binford and McHenry bands will be on the job all day, and it is possible other music will be furnished.

Everybody is invited—a good time is promised.
