

# FIREMEN WILL BE THE HOSTS

## Plans Are Being Made for a Grand Ball on New Years Night.

At a meeting of the Binford Fire department last Friday evening the question of some sociable event, under the auspices and for the benefit of the fire department was discussed, and it was decided that an annual dance would meet with the approval of the public. New Years night was selected as the date, and henceforth the fire boys will have a monopoly on the "doin's" for that particular date.

In nearly all the neighboring towns the one big event of the winter season is in charge of the firemen, and it is strange that no movement has been made along this line in Binford. However, they have come to their senses, so to speak, and no effort will be spared to make their first event a grand success and one that will make up for lost time.

The proceeds from these dances will be placed in the department's treasury, to be expended according to the discretion of its members.

The Binford Dance orchestra has been engaged and will be on the job from 8 o'clock until the dancers get their fill.

Supper will be served at Shaw's restaurant at 50c a plate. Dance tickets will be sold for \$1.00 and will be on sale by the committee next week. Buy a ticket and help a good cause.
