
Dance Enjoyable Event.

The dance given by the Odd Fellows last Friday evening was well attended in spite of the stormy weather. The bad roads prevented many from the country getting in but still several braved the weather and came in. At midnight the Rebekas served a hearty supper in the rooms upstairs. The hall and lodge rooms were beautifully decorated with colored crepe paper and flags. Everyone present had a good time, dancing into the wee sma' hours of the morning. The music was furnished by the Binford Dance orchestra.
