Miss Lulu Tornbom, who has been teaching the primary department in the Binford school departed last Saturday for her home at North wood. She remained there for a few days and then went to Canada, where she has accepted a position to teach a short term. Miss Tornbom has been tendered a position here for another term, but is undecided as to whether or not she will accept. She was a very successful teacher and the school board and many others are anxious that she should return.
