

Katchewan last summer.

There was an unusually large attendance at the annual program given by the Sons of Norway lodge last evening. A feature of the program was a one-act play given in the Norwegian language, by three characters. The parts were played by John Norman, Oscar Greenland and Mrs. C. E. Peterson. Readings were given by H. O. Alm and Oscar Greenland; a song act by Lars Newgard; vocal numbers were rendered by the male quartette and the girls' quartette; and Mr. Arneson delivered a patriotic speech. At the conclusion of the program the ladies served refreshments. The receipts for the evening's entertainment were \$56.90.
