

Telephone Company Organized.

The stockholders, and many others, interested in the new Rural Telephone company, held a meeting at the opera house Saturday afternoon.

By-laws were adopted and officers and directors chosen to serve until the regular annual meeting to be held in June.

The officers are:

President—O. L. Anderson.

Vice Pres.—James A. McCulloch.

Secy.—Treas.—E. E. Iverson.

The officers, with E. A. Retzlaff, Louis Trostad, M. D. Leininger and Oscar Greenland, comprise the board of directors.

It was proposed to have a conference with the Griggs County Telephone Co. and the railroad commissioners, at Cooperstown, in an effort to reach an amicable settlement of the existing difficulties.

People here and at Jessie are anxious for the new company to remove any obstacles confronting them that would in any way occasion any delay in constructing their own system or effect an extension of the present system, providing a satisfactory settlement can be made for its purchase.
