

along nicely from last report.

Sentinel-Courier: Dr. C. L. Brimi expects to leave tonight for Fort Riley, Kansas, where he will enter U. S. Army as First Lieutenant in the Medical Corps. The doctor will close his office during the period of his absence in the army service, and upon receiving his discharge, will return to Cooperstown and resume his practice. The doctor desires through the Sentinel-Courier, to thank his many friends in the county for the kindnesses and courtesies shown during the 19½ years he has spent in Cooperstown; and naturally regrets leaving, but feels that the army offers a field for service to his country, to which he is glad to respond. The doctor carries with him the best wishes of a host of friends for success in the army medical corps, and a safe return at the end of the war.
