

PEKIN NEWS

Arrangements are being made for a splendid parade on the 7th of June, consisting of floats by the merchants and march by the North Dakota State Band and members of the Sons of Norway Order.

Extensive improvements are being made on the local Park Grounds, trees being planted and walks and drives laid out, and lawn sown into suitable grasses. O. O. Forde is superintending the job.

John T. Arlien received a shipment of two thoroughbred Shortorn heif-

ers last week from Lisbon, N. Dak. John says he has thoroughbred animals of all lines on his farm now, even to thoroughbred dogs.

Mrs. A. N. Currie stopped off at Pekin Thursday, on her way home from the funeral of her mother, Mrs. Pladson, who died recently at Fargo. Mrs. Currie will visit with friends at Pekin for a few days before returning to Nashua, Montana.

This is the season for young wolves and quite a few have been successful in capturing litters of these. J.

T. Arlien dug up a litter of nine last week, also capturing the old female, taking the bunch to Lakota last Friday. Sunday morning Pete Arlien and Rasmus Aamodt of Nesheim township captured a litter of nine young ones, the old one escaping. The litter was taken to Lakota by Arlien and Aamodt, to be duly passed upon by the auditor. There being a state bounty of \$2.50 and a county bounty of \$2.00 per wolf, these parties were well rewarded for their efforts.--Pekin Budget.
