

These are strenuous days for The Times scribe. In addition to getting out a newspaper and doing other work incidental to a country printshop, we have to play ball and toot the big horn in the band. Tuesday we were at McHenry all day with the band, today at the lake, and Friday the ball team goes to Aneta. Next week starts out with a ball game at Hannaford on Sunday, and Tuesday, Wednesday and Thursday the fair is on at Cooperstown with Binford playing base ball. Then on Friday, July 2nd, the McHenry team plays here. On the jump is right.
