

The Times is in receipt of a letter from E. T. Pratt, of Kenilworth, Montana, enclosing check for a renewal of his subscription. "Lige" states that the family is enjoying good health, and send greetings to Binford friends. He was offered \$5,500 for his 160-acre homestead recently but refused the offer, and he adds "so I guess we can live in Montana yet for awhile." Their many friends here are pleased to learn of their contentment and hope they will always enjoy good health and prosperity.
