

future home.

Sutton Reporter: Saturday's hail storm which swept through the country near here, was very destructive in many places. Some farmers were practically haled out while others got only a slight touch of it. In several places the damage would not have been so great had it not been for the high wind. This is the third consecutive season the Thorsgaards have been visited by a hail storm doing a damage of over \$10,000 each time.

In the fall of 1914 many leading
