
MARRIED:—At 2 o'clock yesterday afternoon, at the home of the bride, southeast of Hope, occurred one of the happiest gatherings of many moons. Our popular jewelryman, Hudson H. Fulmer and Miss Kittie E. Algeo, were united in marriage by the Rev. S. Whitford, of Hope, M. E. church. Miss Algeo is one of our brightest society ladies and the daughter of an old pioneer and prosperous farmer. Of Hud, we need say but little, as you all know him better than the writer. The happy couple left for Grand Forks, where they will visit with Mr. Fulmer's parents for a week or so, then return to Hope, their future home. Many costly presents and congratulations untold, were extended. We welcome them to our midst and trust their future lives may be one round of happiness and prosperity.
