

HOPE IN 1882.

Thos. Ward has gone to Illinois.

Frank Hill is here superintending the work on the new livery barn.

Dr. Fish, of Wheatland, will open a drug store here soon.

The track layers are within eighteen miles of Hope—June 9.

Hope has the best graded streets in these parts.

A. L. Plummer, of Hillsboro, has bought five lots on Steele avenue and will proceed to erect a handsome bank building at once.

Just \$200 is now subscribed for the 4th of July celebration. Hurrah for Hope.

The Hope House has fifty-four beds in firstclass shape and more are needed.

Hope wants a daily mail service.

July 4th will be a great day in Hope.

Mrs. Hope A. Steele, will, on July 4, present to the town of Hope, a beautiful 24-foot silk flag.

The engine for the electric light plant has arrived. The lights are being put in the Hope House.

Hope is soon to have a fine new depot, side tracks, water tank, steam pump, turn table, round house and machine shops.

Thos. Ward says the prairie grass is a foot high.

H. D. Carpenter's early wheat is up and looks fine—May 10.

Charley Ward reports his seeding finished last week—200 acres.

Contractor Crawford swelled his force of men and teams considerable this week—60 more teams and 30 more men.
