Attest:
Charles G. Boise,
County Auditor.

Life Insurance

IS of great importance to the American farmer. It protects him on all sides. It provides against the contingency of death, offering a substantial competency. It protects the real estate, for although a mortgage may exist, Life Insurance may grandly offset it. A life policy is a substantial encouragement to the farmer, making him realize that he is laying up something against a rainy day. The protection of a great Company like

The Mutual Life
—of—
New York
Is to be covered by all.
