

School Notes

The Scott and Gray schools were inspected Monday and during my absence, the plane Geometry class heard by Miss Jessie White, the Solid Geometry and Chemistry classes by Mr. Robert Officer; the Physiography class by Miss Edna Gray; and the Cicero, Botany and Physics classes by Miss Florence Link. Misses Link White and Gray are members of the Senior class and "Bob" is the leading spirit of the Junior class.

Miss Edna Little, of Webster City Iowa, a graduate of the Thomas Normal Training School of Detroit, Mich. and a teacher of no little experience has charge of the Fourth Grade and the department of drawing. Miss Little is a specialist in drawing and already has proven quite popular with the student body.

The Senior Class met Tuesday, organized and elected the following officers: Miss Edna Gray, President; Miss Katherine Carleton, Secretary. Miss Florence Link was elected Class Historian and Miss Jessie White Class Poet.

At this meeting of the class Miss Edna Gray was chosen by the class to represent our high school at Grand Forks in the next interscholastic contest. This choice will meet with the approbation of the entire school as Miss Gray was a strong candidate in the local contest last spring, winning second place.
