

School Notes.

The Congregational church was filled to its utmost capacity on Sunday evening, to listen to the Baccalaureate address delivered to the graduating class by Joseph Carhart, president of the State Normal at Mayville.

The address was a masterly one and was listened to with rapt attention. The text—"Know the truth and the truth shall make you free" was an especially appropriate one, and the educational phases of it were fully developed in his treatment.

Pres. Carhart has the reputation of being a profound thinker on educational subjects and the people of Hope were fortunate in having secured his services for this important occasion.

The first annual commencement of the Hope State High will occur Friday evening, June 2, 1905. A program of a high order is promised. We invite all lovers of the intellectual life to witness these exercises. Hon. W. L. Stockwell will deliver the class address. Special music has been prepared by the ablest musical talent in the community.

The following program will be carried out:
