

SCHOOL NOTES

Mazie Gilmor has left school.

The physical culture classes are progressing nicely under the management of Miss Larson. The state school law requires physical culture to be taught in all grades as well as drawing.

Parents are requested to visit us in our new quarters in order that they may see that we are doing that which is best for each individual student.

The students have elected physical culture and recess. Those who have recess in the morning have physical culture in the afternoon. This plan is entirely optional.

Instead of having exercises on this Thanksgiving, a Thanksgiving offering will be taken for the benefit of the piano fund. This collection will be taken by grades, a complete report of which will be given in our school notes.
