

## WEDDING BELLS.

LARSON-DONALDSON.

A very pleasant social event occurred in our city Wednesday afternoon, Aug. 9th, at the home of Mr. and Mrs. B. T. Kraabel, when Miss Marie Larson and Mr. Albert Donaldson, two of Hope's young people, were united in the holy bonds of matrimony by the Rev. Samuel Hitchcock, pastor of the Congregational church of Hope, who performed a beautiful and impressive ceremony.

While the bridal party were taking their places and thru the ceremony, Miss Julia Larson, sister of the bride, presided at the piano, filling the rooms with soft strains of music.

The bridal party stood in a large artistic window banked with green plants and pink and white flowers. Directly over their heads the wedding bell, made of pink and white sweet peas and chrysanthemums, was suspended with pink and white ribbons.

The bride was beautifully gowned in white silk crepe-dechien over white silk and carried white roses. She was attended by her sister Miss Louise Larson, who was also gowned in white and carried pink roses.

The groom was attired in the customary black, attended by his brother, Mr. Donaldson of Winona, Minn.

Following the ceremony hearty congratulations were extended and an inspection of the wedding gifts was made displaying remembrances of beauty and utility—cut glass, silverware, china, lamp, clock and furniture.

The guests were then invited to partake of a bountiful feast in a large tent on the lawn where covers were laid for fifty, and decorations pink and white.

Mr. and Mrs. Donaldson need no introduction to the Hope people, as they are both well and favorably known, the bride being the popular bookkeeper in the store of her brother-in-law, Mr. B. T. Kraabel, for several years and the groom being one of Hope's enterprising, estimable young men who is in the employ of the Imperial Elevator company.

The guests had planned to accompany the happy couple to the train and went prepared to do all they could in decorating them and sending them on the road of matrimony rejoicing, which they succeeded in doing despite the fact that Mr. and Mrs. Donaldson kept them speculating for some time as to whether they would take the train from Hope or remain in the automobile and take the train further on. Amidst showers of rice they took the train for Winona, Minn., where they will spend a couple of weeks and then return to Hope, their future home. It is hardly necessary to say that the congratulations and best wishes of a large number of friends of both bride and groom go with them.

The following is a list of the out of town guests:
