

# Badly Burned.

---

Last Thursday Cyrus Craswell was severely burned about the face and body while assisting in fighting a prairie fire northwest of town. Mr. Craswell was driving along the road when he came to a place where some men were trying to control a fire which had gotten into some prairie grass. He jumped out and took a hand in the fight and while thus engaged his clothes caught fire and were almost entirely burned from his body. He was brot to town at once and everything possible is being done to ease his suffering which is intense. It is probable that he will recover altho the burns are very serious.
