

CITY ELECTION

Passed Off Quietly--No Bloodshed--Only Excitement Occurring in the First and 2nd Precincts.

Our city election passed off rather quietly last Monday, with the exception of a tilt in the first and second wards for aldermen, and the entire caucus ticket was elected.

L. O. Finn's friends, in the first ward, boosted him pretty hard but the regular nominee won out by one vote. L. A. Roney, in the second ward, made a good showing, but fell short six votes. There being no opposition to the balance of the caucus ticket every candidate of course had a snap.

The following is the list of the officers elected :

Geo. A. Warner.
