

TWENTY YEARS AGO

Wheat 70 cents.

Our citizens enjoyed their turkeys and cranberry sauce yesterday in the quietest sort of way. Business houses were open most of the day, farmers hauled wheat, and there was but little to distinguish it from any of the other 365 days of the year. In the evening there was a dancing party at the Hope House which was fairly well attended.

The lumber to lay the floor of the skating rink arrived yesterday, and the work will be rushed right along. Mr. Breckenridge expects to have the rink ready in about ten days.

The petition for the civil township of Hope is at the store of Mr. T. N. Lee, Colgate, and persons in that neighborhood who favor the measure should call there and sign it.

The public school was dismissed Wednesday morning and the children given a holiday for the remainder of the week.
