## DIED.

Alex. Curry Sr. died at 5 o'clock yesterday afternoon at his home southwest of Sharon of general debility. He was ninety-four years and two months old and was one of the earliest settlers in the county. Death was not unexpected as he had been failing for some time. Four sons and three daughters, Mrs. J. A. Wright of Sharon, Mrs. Jos. Patterson of Finley and Mrs. McMordie of Mayville, are left to mourn his demise. They have the sympathy of all in their bereavement.
