

# Sudden Death

---

This community was shocked last Sunday evening when telephone messages were sent out announcing the sudden death of Mrs. Edward Dodd, who lives southwest of this city, which occurred at her home at six o'clock that evening. Mrs. Dodd had not been enjoying the best of health for the past year or more but of late was apparently as well as ever. At four o'clock she ate the usual Sunday meal with the family and a few minutes after six was taken suddenly ill and died within a few minutes. The cause of death was a blood clot in the medulla oblongata.

The deceased leaves a husband and six small children, the youngest being a mere babe, to mourn her sudden demise.

The funeral services were conducted by Rev. Gillespie of this city Tuesday at 2 o'clock from the home. Interrment was made in the Hope cemetery.

The sorrowing husband and family have the sympathy of all in the loss of their dear one.
