

is maintained at Hope, and congratulated the Board of Education and faculty on the splendid improvement shown in their school during the past two years. Supt. Stockwell is a forceful speaker and his visits are always looked forward to with pleasure by the citizens of Hope.

The cornet solo rendered by Mr. Elmer W. Bunce was one of the most enjoyable features of the program.

The diplomas were presented by the president of the board of education, Mr. L. A. Jacobson, to the three members of the graduating class, Miss Eunice Jacobson, Miss Ella Nelson and Mr. L. J. Bowen.

Miss Eunice Jacobson who is always a favorite with Hope audiences rendered the declamation "How They Built the Church at Kehoe's Bar" with good effect. Miss Jacobson has rare elocutionary talent and her performance on Friday evening easily outclassed any of her previous appearances on the stage here.

Mrs. Madge Johnston presided very acceptably at the piano throughout the musical part of the program. § §
