

# Took Own Life

---

J. J. Merry, who lived in this city a few years ago and moved from here to Wahpeton and from there to Fargo, committed suicide at Medina in the western part of the state Wednesday, October 3rd. The cause of the rash act is a mystery. About a year ago Mr. Merry took the liquor cure and it might have been that he had gone back to drinking, which caused him to take the step which he did. The remains were taken to Jamestown for burial.

Mr. Merry has been employed for a number of years as agent for the German Insurance Co.

Mrs. Merry is a daughter of Mr. Wilcox, of the Broadlawn Farm, east of this city.
