

# Obituary.

---

On last Monday morning at 2 o'clock occurred the death of Mrs. John Smith at the family home southwest of this city. Altho that dread disease, tuberculosis, had gained a firm hold, yet her friends hardly expected that the end would come so soon.

Helene Greenwood was born at Meadville, Pa. about thirty years ago. Ten years ago she came to this state and has made this her home since that time. Two years ago she was united in marriage to John Smith to which union a son was born about two weeks ago. Mrs. Smith was a general favorite wherever known, always ready to lend a helping hand to the sick and afflicted. Only those who knew her can realize what a loss the community has suffered in the death of this noble woman.

The remains were taken to the old home at Meadville, Pa. where the funeral will be held and where interment will be made. The husband and infant child, a brother, and two sisters accompanied the body.

Mr. Smith will make Meadville his future home and will live in the home of the aged mother who will care for the little one.
